

SHAREPOINT ACCELERATOR

Equip your office with a personalized intranet powered by Microsoft Office 365

With 6th Street Consulting's SharePoint Accelerator, we will give your team a centralized location to store documents, share information and collaborate with Microsoft's state-of-the-art business productivity tools.

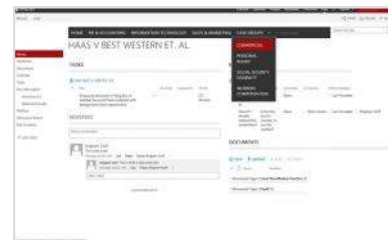

IMMEDIATE BENEFITS OF THE SHAREPOINT ACCELERATOR

- SharePoint Online is all you need, no additional software purchases required
- Leverage the same capabilities and solutions used by Fortune 100 companies
- Enable your employees to easily access business critical data from anywhere and anytime
- Invest in a solution that will fit your company's current and future business needs
- Get one-on-one coaching and post-deployment support from our award-winning SharePoint team
- Tailor the SharePoint Accelerator to fit your company's current and future business needs
- Develop and successfully deploy your custom built intranet in a matter of weeks

WHAT COMES IN THE SHAREPOINT ACCELERATOR?

DESIGN AND PLANNING

- Architect and visualize your new intranet with interactive wireframes and a sitemap
- Choose from our library of design customized department sites to further enhance the user experience
- Customize the colors and branding of your new SharePoint site to match your company

DESIGN CUSTOM DEPARTMENT SITES

DEVELOP AND BUILD

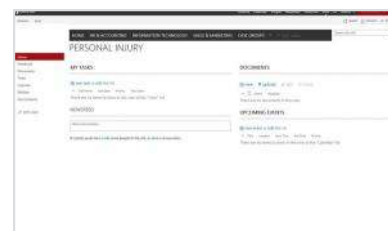

- Create a centralized place to quickly share information across your organization
- Build two approval workflows (i.e. time-off request) and one SharePoint Designer workflow
- Leverage Microsoft's OneDrive for Business to store documents securely in the cloud
- Put social to work and stay on top of office news and updates with Microsoft Yammer
- Provide each department a location to share information and collaborate on content
- Provide a place for your users to collaborate across departments on identified projects

SHARE AND STORE DOCUMENTS ON ONEDRIVE FOR BUSINESS

TRAIN AND ADOPT

- Train your users on how to use and maintain SharePoint
- Leverage our leave-behind SharePoint Accelerator Quick Reference guide
- Additional one-on-one training for end users
- Interactive demonstration for your team of the features and capabilities of SharePoint
- Fine tune your SharePoint during the Stabilization Phase with post deployment support
